CONTEMPORARY CULTURE FROM THE ARAB WORLD

## Open Call for Exhibition Proposals

The Mosaic Rooms is pleased to announce an open call for exhibition proposals.

The Mosaic Rooms are a cultural space in London that showcases contemporary culture from the Arab World. Please visit [www.mosaicrooms.org](http://www.mosaicrooms.org) to see further examples of current and past programming. We are seeking proposals for a visual arts exhibition for late Summer 2014, with provisional dates of the 1<sup>st</sup> August-19<sup>th</sup> September 2014.

The call is open thematically but proposals should reflect the Mosaic Rooms' aim to highlight some of the most exciting, progressive and contemporary voices from the region. Exhibitions can include any media, and both solo and group shows will be considered. The exhibition space comprises three main rooms, plans for which can be viewed [here](#). The proposal should include a description of a related programme of lectures, film screenings and educational activities.

The opportunity is open internationally to individual curators or curatorial collectives. A jury will select the successful proposal, which will then be developed in collaboration with The Mosaic Rooms' team.

Please complete the application form and send it to us by the 2<sup>nd</sup> September 2013. The form asks interested parties to submit an outline proposal of up to 1,000 words; a budget estimate, including identification of potential funding sources/partners; and biographies. High resolution visuals or video links should be sent directly to [rachael@mosaicrooms.org](mailto:rachael@mosaicrooms.org) with a clear reference to your proposal title.

The selected proposal will be announced on the 27<sup>th</sup> September 2013. The successful applicant will be expected to deliver their programme by July 15 2014.

**DEADLINE 2 SEPTEMBER 2013**
