CONTEMPORARY CULTURE FROM THE ARAB WORLD

CURRENT OPPORTUNITIES

Job Title: Press & Marketing Internship

Responsible to: Head Curator & PR and Marketing Coordinator

Opportunity type: Part time, temporary

Working Hours: Two days per week (days to be arranged)

Description

The Mosaic Rooms are a cultural space showcasing progressive and innovative contemporary culture from and connected to the Arab World. We require a Press & Marketing Intern two days a week to help research and expand media lists and databases, develop and research ideas for online marketing, and help with general press and listings releases and social media posts for our varied programme of exhibitions, literary events, film and more.

As the gallery team is small, interns will benefit from working closely with the gallery's staff. We would expect successful candidates to have/be studying in a relevant degree, with strong communication skills both written and verbal, and an enthusiasm and interest in the activities at The Mosaic Rooms.

This opportunity is for three months commencing at the beginning of May. This is an unpaid, voluntary position, although travel & lunch expenses are compensated.

Start date in May 2014; please apply with CV and covering letter by 16 April 2014 to press@mosaicrooms.org
