EXHIBITION

**Anamorphosis:
Notes from Palestine,
Winter in the Kashmir Valley
27 September - 7 December 2019
FREE**

Anamorphosis is the first London solo exhibition by Praneet Soi. Interested in the politics of representation, it brings together two bodies of work. One newly created, comprises drawings and video installation based on Soi's visits to the Occupied Palestinian Territories and Israel in 2019, unfolding his encounters with the people he met there. The other shows recent work from Soi's immersions in the workshop of a master craftsman in Kashmir. The resulting installation of hand painted tiles includes visuals from Soi's archive of media images.
