

The Mosaic Rooms Event Hire

Spaces for meetings, private parties,
arts events and more

An elegant Kensington town house and gallery space, located just five minutes walk from Earl's Court station, The Mosaic Rooms provides the perfect venue for business meetings and a wide range of arts, corporate and private events.

Laid out over two floors, The Mosaic Rooms comprises more than 200 square metres across four adaptable hire spaces: the Grand Room, Boardroom, Lower Grand Room and Garden.

We used The Mosaic Rooms in December for our Christmas party. The space was excellent for our requirements with plenty of light and space to move around and for people to circulate. We would definitely recommend The Mosaic Rooms to other prospective clients.
Private Hire

One of London's hidden gems, [The Mosaic Rooms] is a hub for exhibitions, literary events, supper clubs, charity auctions, and much more... Elegantly decked and sensitively structured so as to provide a welcoming canvas for the visual arts. **Sotheby's**

We have hired The Mosaic meeting room on numerous occasions for our Board meetings as it's convenient and the space is perfect to meet our needs. The staff are always very helpful with the bookings and the room is always prepared to our specification.
Queensway Group

We hired the Grand Room for a screening with approximately 60 guests. We had a wonderful evening; the space was perfect, with an area for drinks and nibbles and all the equipment for a successful Q&A session afterwards. **Private Hire**
